Additional comments provided by: [Neli DiFranco](#)

"The job of a school board member goes beyond simply meeting state academic standards. I want our students to be supported with the necessary resources and high-quality education in order to fulfill our district mission to "Educate and develop all students as learners and citizens who are high - achieving, resilient and responsible in a changing global community."

Children First Action Fund is a nonpartisan organization that works to ensure that all children, especially those burdened by poverty and adversity, have the best chance of reaching their full potential. We work on both sides of the aisle, in a non-partisan fashion, to help elected officials learn what it takes for children to succeed and persuade them to support our legislative measures.
