

School Board Member Candidate Survey: 2023

Additional comments provided by: **Stephanie Ferrandez**

“I am neither a new or incumbent school board member. I was elected to the Bensalem School Board in 2017 and served until 2021. I lost my bid for reelection. I believe I lost my bid for reelection due to an overwhelming electoral turnout against DEI. Our community is uninformed regarding DEI and many voters mistakenly believe it is designed to vilify white children. CTE and ensuring our children meet academic standards are priority concerns of mine.”

Children First Action Fund is a nonpartisan organization that works to ensure that all children, especially those burdened by poverty and adversity, have the best chance of reaching their full potential. We work on both sides of the aisle, in a non-partisan fashion, to help elected officials learn what it takes for children to succeed and persuade them to support our legislative measures.
