

## School Board Member Candidate Survey: 2023

Additional comments provided by: Joshua Hogan

***Question 2: The PA Senate is now considering legislation (HB 1422 that has passed through the House) that would modernize Pennsylvania's charter school law to ensure transparency, accountability and fiscal responsibility. As a school board member, would you agree or disagree with this approach to regulating charter schools?***

"Prior to completing this questionnaire I was not familiar with HB 1422. I feel that I need to learn much more about it before choosing strictly between "Agree" or "Disagree". But my initial read of the Bill is positive."
