

School Board Member Candidate Survey: 2023

Additional comments provided by: Stuart Warshawer

Question 4: Meeting the mental health and social/emotional needs of our students is paramount to their academic and lifetime success. This requires funds from the school budget, such as hiring school psychologists and social workers. Do you agree or disagree that school district funds should be among the funds used to address students' mental health needs?

“Related to student mental health needs, I am running for school board to make sure that Upper Dublin remains an inclusive district for students of all identities and backgrounds.”

Children First Action Fund is a nonpartisan organization that works to ensure that all children, especially those burdened by poverty and adversity, have the best chance of reaching their full potential. We work on both sides of the aisle, in a non-partisan fashion, to help elected officials learn what it takes for children to succeed and persuade them to support our legislative measures.
