

School Board Member Candidate Survey: 2023

Additional comments provided by: **Karen Winters**

“I have spent 23 years teaching in NJ public schools. I am a staunch advocate for public schools. I have a perspectives as both a teacher and a parent of children attending Bensalem schools to guide me. I have dedicated my career to serving children. Being a school board member would allow me to serve the children of the community that I choose to call home.”

Children First Action Fund is a nonpartisan organization that works to ensure that all children, especially those burdened by poverty and adversity, have the best chance of reaching their full potential. We work on both sides of the aisle, in a non-partisan fashion, to help elected officials learn what it takes for children to succeed and persuade them to support our legislative measures.
